No More Misery After Eating Just Takes An Eatonio

"The first dose of Eatonio did won-
ders for me. I take it at meals and am
no longer bothered with indigestion,"
writes Mrs. Ellen Harris.
Thousands of people, like this dear
lady, testify to the power of Eatonio,
which does its wonders by taking up
and carrying off the excess acidity
and gases which bring on indigestion,
heartburn, bloating, belching and
food repeating. Acid stomach also
causes about seventy other organ-
ic ailments. Protect yourself. A big
box of Eatonio costs but a trifle with
your druggist's guarantee.

Preparing for one hun-
dred and twenty million
meals with the New Karo
for 1921

Last year American housewives
bought over five million cans of the
New Karo. Delicious flavor, moder-
ate price and wise buying

Do you know that the makers of Karo
are the world's largest users of the purest
and best flavored maple sugar?

That over a thousand tons of maple
sugar from the finest maple groves in
Vermont and Canada are used each year
to flavor the New Karo?

This New Karo in the Green Can is
pure and wholesome—its flavor is not
an imitation.

Yet the price is so moderate that you
can afford to serve it at every meal.

Try it on some nice hot waffles, or
brown pancakes. Or as a spread for
bread or crisp toast.

If the New Karo isn't the most satisfy-
ing syrup you ever tasted, at the most
satisfying price you ever paid for a similar
syrup, return the balance of the can
and the grocer will refund your money.
